

What is a Care Navigator?

Your Care Navigator is your personal assistant you help find care, schedule tours, and enroll your children - saving you time in finding the best licensed and affordable childcare for your family.

- ✓ **Your 24/7 Support**
 - Matchmaking - All the research
 - Scheduling Tours - Verify availability
 - Placement - Help enroll
- ✓ **Answers all questions regarding your specific needs for all types of childcare**
 - How does the program work?
 - What other benefits or care are available?
 - What providers are in my area?
- ✓ **Takes on heavy lifting of searching and vetting all providers based on your needs**

Families say goodbye to

- Endless calling
- Countless hours of research
- Long waitlists
- Unverified caregivers
- Negotiating prices
